25X1

On 8 March 1952, 22 twin-engine transports were observed at Altenburg airfield.

25X1 Expansion work began at the field. 25X1 25X1  Comment. Altenburg airfield is occupied by an air transport regiment which is equipped with Li-2s. According to previous reports, the field is to be improved in the same way as Briesen-Brand airfield, where the runway was extended to about 2,000 meters and taxiways paralleled the runway on both sides.

No construction plans have been received to date.
